# ABOUT

## About GMD Shipyard

GMD Shipyard Corp. is located within the world renowned Brooklyn Navy Yard and is the largest dry dock facility in New York City. Our shipyard boasts three graving docks in addition to 1100' of wet berth and offers 24-hour operational capabilities. Complementing our yard's full service machine, pipe and valve shops is a professional staff of experienced marine fabrication and repair craftsmen.

GMD Shipyard is committed to meeting the demands of our customers while providing quality workmanship which supports and promotes prudent environmental and safety principles. With an exceptional team of skilled technicians and dedicated management, GMD Shipyard can serve all of your vessel needs from routine maintenance to conversions to emergency dry-dockings.

# SAFETY

## Safety

Safety is a top priority at GMD Shipyard Corp. and maintaining rigid observance of stringent workplace standards and practices begins with management and passes through to every level of yard supervision and support personnel.

GMD Shipyard strives to provide a hazard-free work environment that not only complies with applicable health and safety laws and regulations, but also educates employees and customers about the risks of our operations. We are committed to ensuring that all approved safety guidelines and safe working methods are strictly enforced at all times.

Our HSE Director is tasked with the overseeing and implementation of health and safety procedures. The Director works in partnership with employees, customers, contractors and personnel to promote and maintain the highest degree of well-being and accident prevention.

At GMD Shipyard there is no aspect of our operations more essential than safety and no job as important as adhering to safety principles which are never compromised. We owe that to our customers, our employees and our families.
